

We hope that you might be able to help us bring our Washington High School Archives up to date.

The Washington High School Alumni Association is looking for the following year books to be donated to their archives: 1939/1942/1956/1957/1958/1960/1965/1997/1999/2000/2006/2007 - we do not have copies of these books. We will also take any other year books that any one is willing to donate, as we are always getting calls from classmates for copies of year books because they never purchased one, or theirs has been destroyed.

If you know of anyone who would like to donate a year book to the Alumni, please have them contact the Alumni office at 330-832-1224 or mail it to WHSAA, 207 Oak Ave, SE, Massillon, Ohio 44646.

Any class pictures, reunion books, etc are also kept in the archives and would be appreciated.

Remember, making a yearly (tax deductible) donation to the WHSAA entitles you to a life time membership and recipient of the news letter that is distributed twice a year.

You may issue your check or money order to WHSAA and mail it to:

**207 Oak Ave. S. E.,
Massillon, OH 44646**

Thank You - WHSAA
